H.E. Mr. Rifat HİSARCIKLIOĞLU

President of the Union of Chambers and Commodity Exchanges of Türkiye (TOBB)

Yours Honored Excellency,

Greetings from Lao National Chamber of Commerce and Industry,

The Lao National Chamber of Commerce and Industry (LNCCI) established in 1989 is an independent body which represents the business community in Lao PDR. It is the nexus between state and private enterprises and represents employers, group and joint ventures across all agencies that have been established under the laws of Lao PDR. It currently has more than 4000 members represented through Chambers of Commerce in 18 provinces and business associations and groups. That makes LNCCI the largest and most representative business community in Lao PDR.

Mr. Oudet Souvannavong, the President of LNCCI and members will visit Minsk, Belarus, on 6th July 2024. On the way back to Laos, our delegation will cover the cost with their own budget for a working visit to Istanbul on 7-8th July 2024 to meet Turkish business associations and chambers, especially the potential cooperation in the strengthening economic and trade cooperation between Laos and Turkey. In response to the latest correspondence regarding the signing of the Memorandum of Understanding (MoU) between LNCCI and TOBB, LNCCI side would like to submit final draft of the said MoU which could be signed during the said visit.

In addition, the ASEAN Business and Investment summit (ABIS) 2024, which is the ASEAN's premier annual business and investment event, will be organized on 8th-11th October 2024 in Vientiane and will be chaired by Laos. Therefore, we would like to extend the invitation to TOBB to participate this event.

We look forward to hearing from you soon,

Yours sincerely,

Oudet SOUVANNAVONG
President of LNCCI
